The following questions will help us determine if the animal you are interested in is potentially a good match for you and for the animal. Please be as descriptive as possible.

Animal I am interested in: _____

1. Have you ever owned a dog before? Yes No

2. Do you currently have other animals at home? No Yes (please list animals currently owned)

3. Please list all people who live in your home including ages.

4. What is the most important quality your new dog needs to have?

(i.e needs to be good with kids or needs to be easy to walk)

5. What type of energy level are you looking for in a dog?

High Energy Moderate Energy Low Energy

6. How much training are you comfortable with? (none, basics, obedience, agility etc)

7. What type of training do you currently use for your dogs/or plan to use with you new dog?

8. What types of behavioral issues have you dealt with in your experience with dogs? (Mouthy, house breaking, resource guarding, separation anxiety, reactivity towards other animals etc.) Please explain.

9. How do you plan to exercise your dog?

10. Is your yard fenced? Yes No

If yes, what type of fence do you have?

11. Is it of importance to you that your new dog can be off leash outside?

12. Are you looking for a dog that is okay with being left alone in the home when you are away?

13. How important to you is it that your new dog is friendly with other dogs?

14. How important to you is it that your new dog is friendly with cats?

15. How important to you is it that your new dog is friendly with other small animals or farm animals?

16. How important is it to you that your new dog is friendly with children?

17. How important to you is it that your new dog is friendly with teenagers?

18. What type of neighborhood do you live in? (Busy road/woods, Kids/Dogs running about)

19. Please describe your home environment/lifestyle. (Active, frequent traveler, work from home, long work days, lots of foot traffic, etc.)

20. Sometimes we get in animals that need to be on special diets or daily medications/supplements. Is this something of importance to you when adopting?

21. On average it takes about 3 months before a newly adopted dog is comfortable and has adjusted to its new home. Is an adjustment period time frame something of importance to you when adopting?

22. Is there any additional information you'd like us to know?
